INTRODUCTION

GRANADA was founded in 1989, Since then we have designed and construct all types of systems (Civil & MEP) for all types of buildings. We take pride in offering cutting-edge designs & Build with a futuristic vision. We collaborate closely with our ambitious clients to shape a better tomorrow. Our objective is to realize a sustainable vision aligned with UAE Government's Vision, striving to address challenges and achieve ambitious goals within tight timelines. We embrace modern ideas that meet contemporary needs while respecting traditional values that honor heritage and originality. We provide meticulous supervision to fulfill all your aspirations and ensure your complete satisfaction from initial proposal to final delivery. Our commitment to excellence guarantees our esteemed clients meticulous planning and prioritizes your satisfaction as our foremost goal. We remain dedicated to supporting you throughout the entire journey.

We Build

- Residential Buildings
- Commercial Buildings
- Shopping Malls
- Hotels
- Hospitals
- Schools
- Factories
- Warehouses
- Private & VIP Villas
- Offices
- Labor Accommodations

Our Goals

Our commitment extends beyond mere satisfaction, we strive for your utmost happiness through designs that exceed your ambitions. Our primary objective is to create spectacular modern designs that are tailored to your specific requirements while meticulously addressing all environmental considerations. By prioritizing innovation and sustainability, we aim to set new standards in Excellence in design, supervision and implementation, ensuring a harmonious balance between aesthetics, functionality, and environmental responsibility.

Our Vision

Our aspiration is to lead the field and set a benchmark for safe designs and build that evoke warm memories and joyous laughter for every client we serve. We are dedicated to earning the trust of communities across the country through our commitment to excellence and integrity in every project we undertake.

SYSTEMS

- Excavations
- Landscaping
- Foundations
- Infrastructure
- Builders Works
& All Kind of Civil Works
- Interior & Exterior Design
- Decorations
- HVAC
- Electrical Works
- Plumbing Works
- Safety Systems
- Low Current & ELV
- CCTV & Security Systems
- Public address & Access Control

SERVICES

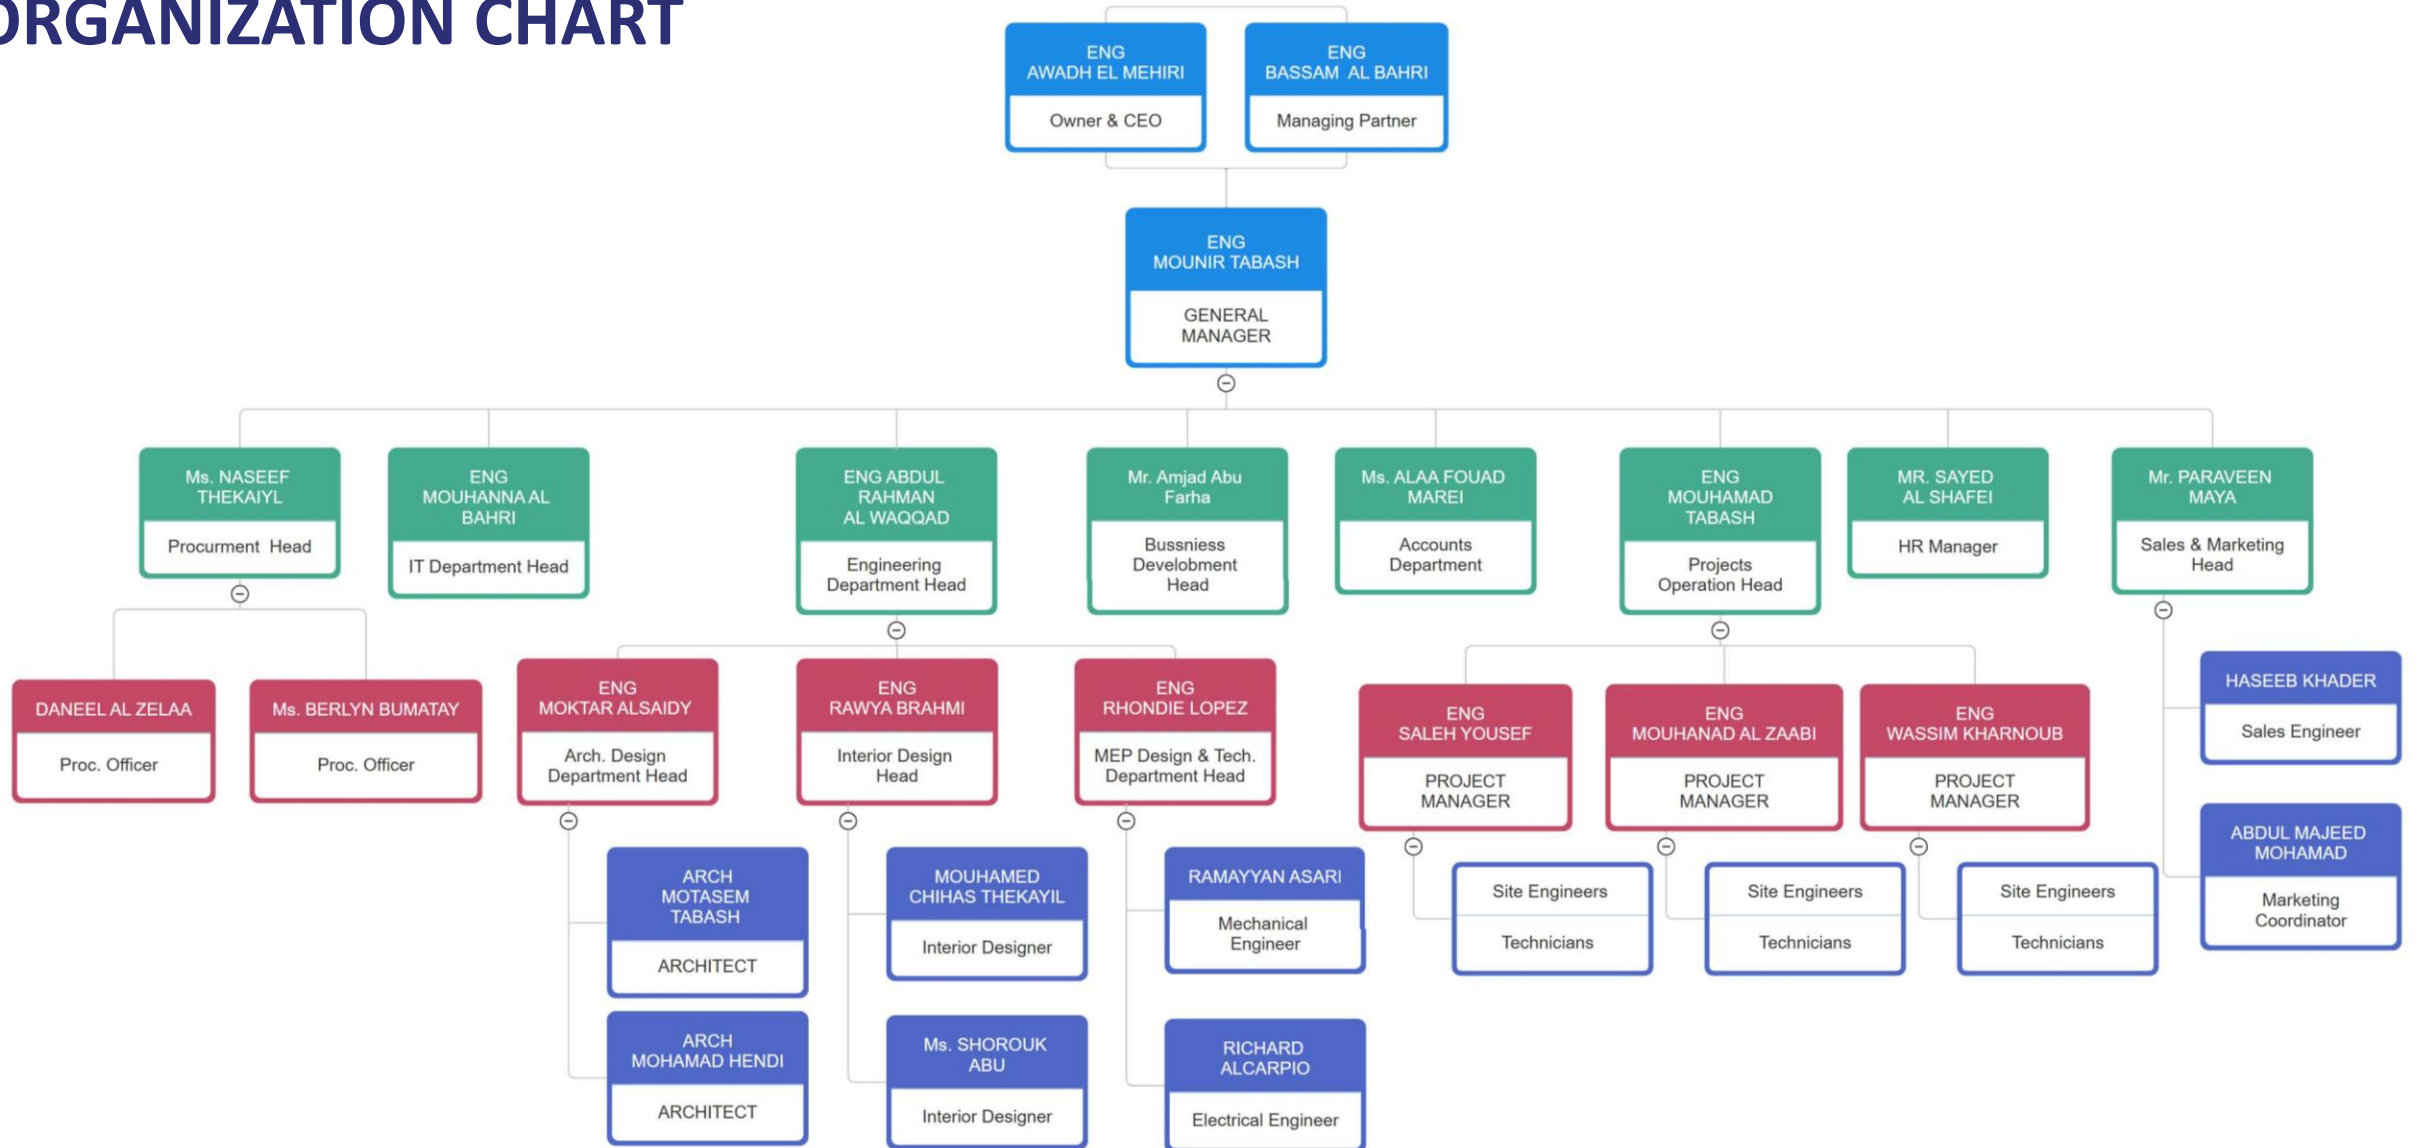

We offer Design, Supply, Installation, Testing & Commissioning and Maintenance Of all types of systems (Civil & MEP). Our highly experienced and well qualified engineering team is able to design, install & commission our systems as per manufacturer recommendation along with UAE local authority requirements.

OUR MISSION

To provide innovative, reliable systems and services to our clients to provide them with whatever they request with the best budget, earliest timelines, perfect quality.
